THE ELECTION.

The long struggle, which brought to the surface many (false) prophets, is ended. The contest has been characterized by many peculiarities, and although it has not been bitter, much hard work has been done at each of the three corners.

Although the Democrats have been successful beyond all expectation. there is no inclination to be boisterous over the result, they being satisfied with the endorsement their principles have received, contented in the belief that their cause is a just and righteous one, and will prevail.

An invitation is extended to all to rejoice with us, for the success of the Democratic party is the success of the

Returns from the different states, and distant localities in this state, come in such a confused mass that it is impossible to give anything reliable as regerds many districts.

For particulars, &c., as regards this county, we refer our readers to the table published in another place in this paper. It will be seen that the Democratic ticket received an average plurality majority of 1,1511 votes, and the county ticket an average majority of a little over 930.

Mr. Mackay, for state senate, received 1,993 majority over Hatfield, and 1,762 over Phillips in this county. In Linn county he received 225 over Hatfield, which insures his election by from 1,700 to 2,000. The majority in the district in 1876 was a little over

Mr. Rothwell received about 2,000 majority in Randolph, 1,413 majority in this county, 326 in Linn, 200 in Sullivan, 450 in Daviess. These figures are not official, but are very nearly correct. Livingston not reported. Mr. Pollard received 450 majority in Mercer, and 275 in Grundy: Harrison is not reported, but will probably give Pollard 400 to 700 majority. Rothwell's majority in the district will be near 3,500, which is a gain of about 800 over 1876.

As regards the congressional candidates in this state the regular Democratic nominees have been elected in all districts, except perhaps in the 8th and 9th. In the 8th district Col. Jno. T. Crisp was the regular Democratic nominee, and was opposed by Judge lent qualities, and a practising Dentist at Sawyer, Independent Democrat, who, it is thought, is elected by over 1,000 majority. The regular Democratic majority in the district is over 7,000. In the 9th district, David Rea, present incumbent, was opposed by Nicholas Ford, Greenback. Contest very close, but favorable to Rea.

London, the Greenback candidate, and who is well known to many of our citizens, made a thorough canvass, and by Mr. Willet, and the reading of an essay received a surprisingly large vote. In Macon county he received 118 majority over Col. Hatch, the Democratic nominee. Adair gave London 66 majority over Hatch, and Knox gave him 85 over Hatch. Other counties not reported, but it is safe to say that Hatch will receive more than 1000 the same and thought, couched in beautifully appropriate.

Cottonades, Jeans and Cassimeres. There is not a stock of goods in Chariton county composed so entirely of nest goods and clear of trash. Owing to circumstances which I cannot control, I am forced to abandon the long-credit business and adopt the cash system, giving to all the benefit of low prices on staples, and fancy dry-goods, with the plain understanding that I will sell you goods at 25 per cent. cheaper than any merchant can or will, that sells on twelve months or two year e: and will trade square and honest with every one.
